## FLUID MIND

Sunbeams of twilight cling to the side of Rangitoto Island.

Black islands beyond the horizon call nostalgia.

Purple waves move into misty darkness.

The eastern sky is clear but deep air covers the north.

The air in the west is full of orange as I turn away my head.

How will tomorrow's weather be?

My heart already becomes a farmer in my hometown far away.

Gyu-Joon Yang was born in Korea, 1955. He has exhibited regularly in Korea, Japan and Russia for more than twenty years and taught as an art lecturer at Han Nam University and Sun Wha Art School in Seoul. He moved to Auckland in 1997. He completed his Postgraduate Diploma in Fine Arts from Elam at the University of Auckland in 2001; and Master of Fine Arts at Whitecliffe College Arts and Design in 2007.
